

DEDICATION DAY WILL SEE FLAGS ON 1600 BLOCK

Old Glory and Pennants of Blue and White Will Be Afloat on May 27.

DISCUSS PLANS AT MEET

Reports at Luncheon at Rock Island House Indicate That Event Will Be Well Worth Seeing.

Business men of the 1600 block at a luncheon held at the Rock Island house at noon today discussed again their plans for the dedication ceremony to be held on the evening of May 27.

One of the big features of the dedication decorations was decided upon. F. J. Mueller, chairman of the committee on publicity, reported that the American Regalia company offered an excellent proposition for flags and pennants to be extended from the ornamental lighting posts in the direction of the street.

The flags and pennants are to each be eight feet in length and three feet

wide. The flags will be American and the pennants are to be white with "1600 Block" in blue letters.

Will Order Flags.
Ten flags and ten pennants and clamps which will be fastened to the ornamental lighting poles to hold them, will be purchased. A flag will be fastened to the pole on one side of the street and the pennant on the other, alternating on each post.

The flags and banners will extend towards the street at an angle and according to the arrangements made by the business men of the 1600 block, the effect should be very pleasing to eye.

Among other matters talked of at the meeting was the matter of swinging signs. The business men have been aggressive against this evil and have been very successful in their campaign. It was reported at the meeting that practically every swinging sign had been removed.

Indicates Big Event.
Several committees made reports relative to the work accomplished and everything indicates that by the time of the dedication Rock Island people will be well repaid for a visit to the 1600 block on that evening.

The 1600 block baseball team, formerly the centrals, will play its initial game with the East Moline team at the municipal ball park Sunday afternoon. Manager William Smith of the locals announces that his line-up is fast and promised that the East Moline aggregation will realize that it is playing against a first class nine every minute of the game.

MANY PAY THEIR FINAL RESPECTS

Funeral of Harry E. VanDuzer at Broadway Church Is Largely Attended.

Funeral services for Harry E. VanDuzer were held at 3 o'clock this afternoon from the Broadway Presbyterian church, and the house of worship was filled to overflowing with sorrowing friends. The floral tributes were beautiful and many. Miss Ruth Benkert of Davenport sang "One Sweetly Solemn Thought," by Amrose and "Face to Face," by Johnson.

Dr. W. S. Marquis, former pastor of the church and now of Chicago, who had charge of the services at the home, paid a fitting tribute to Mr. VanDuzer, whom he had known for many years as friend and associate in church work.

In taking the remains from the late home at the Payne flats to the church the following acted as pallbearers: W. S. Parks, R. P. Scott, J. W. Stewart, A. H. McCandless, H. E. Curtis and W. M. Stewart. Pallbearers chosen from among the Masonic brothers had charge of the remains from the church to the cemetery. They were L. B. Hayden, William Hartz, W. J. McIntyre, C. D. McLane, T. B. Davis and J. G. Hinton. The Masonic ritual was observed at the grave in Chippianock cemetery.

SMALL FIRE ATTRACTS BIG NOONDAY CROWD

A crowd of several hundred people were attracted to the scene of a blaze in a meat shed in the rear of Glass' meat market, 2009 Fourth avenue at 12:45 this noon. Although the blaze was controlled in time to prevent a serious loss, a line of hose was laid across both the car lines on Fourth avenue and Twentieth street, delaying several cars for ten minutes. The fire started from a burning pile

of rubbish, near several empty lard barrels and then the blaze spread to the shed. The burning rubbish and lard caused quite a bit of smoke, but the blaze was extinguished with a garden hose and chemicals. The firemen were forced to tear part of the east wall of the shed down to put the fire out completely. Ten damage was small.

TAKE APPEAL ON BOARD DECISION

Rock Island Road Refuses to Pay Amount of Damages Fixed by Arbitrators.

Two appeals from the awards of boards of arbitration, under the provisions of the workmen's compensation law, were filed this morning in circuit court. In the case of John E. Webster against the C. R. I. & P., the board, composed of R. S. Haney, named by the court; Frank Gustafson, selected by the plaintiff, and J. W. Maucker, for the company, found that the plaintiff, who injured his foot and back February 28, 1913, at Silvis shops was entitled to recover \$644.50 from the company. The defendant declares the amount excessive and demands a jury trial in circuit court. Jackson, Hurst and Stafford are counsel for the railroad.

In the case of Harvey E. Smith vs. the Velle Motor Vehicle company, the arbitration board, composed of S. S. Hoffman, named by the defendant; William Jennings, selected by the plaintiff; and W. S. Shalberg & Harper appeared for the company.

IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is a sign you have been eating too much meat, which forms uric acid.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.
